

How to upgrade your Versa account

Qualified users may upgrade their account for greater investment privileges

All users start as Retail investors on the Versa app

Qualified users may upgrade their account for greater investment privileges, such as the removal of ICO investment limits and the ability to participate in ICO private placements

Click this box to start the process for account upgrade

After clicking, users will receive an email with attached forms to request for an upgrade to one of the following account types:

-  Individual high net worth (HNW) or ultra high net worth (UHNW) investor
-  Legal entity HNW or UHNW investor
-  Individual institutional investor
-  Legal entity institutional investor

Please refer to the sample forms above for details on the requirements for each account type
Please note that each form may require additional documentation from the requesting user

Please complete the applicable form, and please email the form and any additionally required documents to account.upgrade@tbox.net

Your account upgrade request will be processed within 3 business days after a completed form and any additionally required documents are received by our account upgrade team
